

Every SoHo Junction unit, and everything nearby.

Thirteen SoHo Junction listings are live, plus roughly fifty other apartments within about 10 km of CRC. **The R8,800 unit is still the only two-bathroom flat at SoHo under R12,000** — and the cheapest two-bed two-bath anywhere in this sweep.

Unlabelled dots are the remaining complexes in Table 2

SoHo Junction sits about 5 km north-west of CRC — further out than the Douglasdale cluster at 2–3 km, closer than Helderfontein Nexus at 7 km or Meander at 10. Rosewood at R8,200 is the only cheaper two-bed, at a similar distance, and it has one bathroom.

Artifacts cannot load map tiles, so this is drawn from address estimates rather than routed distances. **The rings are reliable to within roughly a kilometre; the compass bearings are rougher** — good enough to see that Douglasdale is nearer and Midrand is further, not good enough to navigate by. For real distances, drop the addresses in Table 2 into Google Maps.

WHAT THE FULLER PICTURE CONFIRMS

More stock has appeared since the last sweep — a new R10,500 two-bed and a third R9,100 — but **nothing has changed the position of your unit**. Of thirteen listings, only three have two bathrooms: yours at R8,800, the R10,500 headline one, and R12,000. Everything cheaper than R8,800 is a one-bedroom.

And the R8,800 is the only one where **the levies sit inside the rent**. On a like-for-like all-in basis it is roughly R2,100 a month below the R10,500 unit.

Where R8,800 sits

CHEAPEST TWO-BED TWO-BATH IN THE SWEEP				
COMPLEX	RENT	LEVIES	DISTANCE	NOTES
SoHo Junction	R8,800	included	~5 km	Gym, pool, sauna, steam room, business centre, 24h guard. Levies in the rent
Beverley, 21 Fountain Road	R9,000	unknown	~4 km	67 m², 1 bay. Add R1,000–1,400 if levies are billed on top
The William Estate	R9,500	unknown	~4.5 km	87 m², 2 bays. Larger, but likely levies on top
1 Swallow Drive, Douglasdale	R10,000	unknown	~3 km	72 m², 2 bays. Closest to CRC of the 2-bath options
Fourways Precinct	R10,500	unknown	~4.5 km	85 m², 2 bays

TWO HONEST CAVEATS

Beverley at R9,000 is the only headline price close to yours, and it is a kilometre nearer CRC. But no listing in this table except SoHo states whether levies are included — and at SoHo those run R1,290–R1,400. If Beverley bills them on top it lands around R10,300 against your R8,800. Worth one call if you want to be certain, though the amenity gap is wide.

Rosewood Terraces at R8,200 is the cheapest two-bed anywhere here — but it has one bathroom, and you have set two as a requirement.

WHAT THIS SWEEP COVERS, AND WHAT IT DOES NOT

Property24 and Private Property across Broadacres, Fourways and Douglasdale, filtered to two-bedroom units, August 2026. **Not exhaustive:** Gumtree, agency-only listings and word-of-mouth units are not here, and most listings state neither levies nor bathroom count reliably. Distances are road estimates from the street address, not measured routes — check yours in Maps before relying on them.

Stock moves fast: this sweep found two SoHo units that did not exist a few days ago, and two earlier ones have gone. Re-run the search links below if you need it current.
