$5,000 *the bonus*

GET PAID FOR THE VALUE YOU CREATE

JOHN 15:8 · 2 CHRONICLES 15:7 · NLT

"When you **produce much fruit**, you are my true disciples."

"But as for you, be strong and courageous, for **your work will be rewarded**."

WHAT WAS OFFERED

- The original trigger: scale Serentia to **$100K days**. At roughly 15% margin that is $15K of profit — **$5K mine**, $10K back into the business.
- The trigger has widened: **"If you're able to produce fruit — whether it saves time in Innaderm, or money — I'll definitely give you that same bonus."**
- To be **written down**: hours saved or money saved, with a percentage once the thresholds are reached. Easier to hit on Innaderm precisely because it is already scaling.

YOU GET PAID FOR
THE VALUE YOU CREATE

NOT FOR THE HOURS YOU ARE SEEN WORKING

WHERE THE VALUE IS

$10k INNADERM, PER DAY	$3k today · went 1.5k → 3k in a week
<1% DISPUTE RATE	0.9% now · a hold lands at 1%
HOURS & RANDS SAVED	Logged, evidenced, claimed

Work brings profit, mere talk leads to poverty

PROVERBS 14:23 NLT · IT IS NOT THEORY, IT IS PROFIT

ACTIONABLES

- **Get it in writing this week.** He offered — "I can probably find a way to make it more written down." Ask for the thresholds and the percentage, named. An unwritten bonus is a hope, not a target.
- **Effort moves to Innaderm.** It is profitable and scaling; Serentia stays the sandbox where things can break and the learning still transfers.
- **Keep a value log.** Every week: hours saved, rands saved, with the evidence. That log is the bonus case — nobody else is going to build it for you.
- **Hold the dispute rate under 1%.** Stopping a hold is the largest single piece of value available, and it is invisible until it is too late.
