THE CALLING · SERENTIA & INNADERM

EPHESIANS 3:20–21 · AMP

"Now to Him who is able to [carry out His purpose and] do **superabundantly more than all that we dare ask or think** [infinitely beyond our greatest prayers, hopes, or dreams], according to His power that is at work within us, to Him be the glory in the church and in Christ Jesus throughout all generations forever and ever. Amen."

PURPOSE

Finance God's kingdom.

THE TRUTH I BUILD ON

- ○ We are not working for a man. **We are working for God.**
- ○ Salaries, cars and lifestyle are **byproducts** — never the point.
- ○ I am here to be a **financial vessel in the house of God**.

YOU HAVE THE HOLY SPIRIT —
YOU SHOULD BE THE BEST IN THIS INDUSTRY

DANIEL 1:20 · TEN TIMES MORE CAPABLE

THE STANDARD WE AGREED

- ○ **1% better every day** — obsessed with learning, measured against my role.
- ○ **Who, not how.** Great people first; great systems and outcomes follow.
- ○ **Attitude is non-negotiable** — it outranks raw output.
- ○ Church is **never the excuse.** Plan ahead, communicate early, show up anyway.

STANDING ON

Dan. 11:32 — "The people who know their God will be strong." *yada — to know by deep intimacy.*
Col. 3:23 — "Work willingly at whatever you do, as though you were working for the Lord."
1 Cor. 15:10 — "I have worked harder than any of the other apostles — yet it was not I but God who was working through me by his grace."

ACTIONABLES

- — **1% every day.** One documented learning, measured against my role — brought to the weekly check-in, not kept in my head.
- — **When I am stuck, ask who — not how.** The bottleneck is almost always a person I have not brought in yet.
- — **Before a church commitment goes in the diary,** the work around it is planned and communicated. Ministry never becomes the reason something slipped.
- — **In peak season, flex.** Q4 is decided by the mission, not the clock.

THE BUILD

first to raise our hands

1 CHRONICLES 29:3, 14 · NLT

"Because of my devotion to the Temple of my God, **I am giving all of my own private treasures** of gold and silver to help in the construction."

"Everything we have has come from you, and we give you only what you first gave us!"

WHAT WE CARRY — FROM THE DREAM OF CRC

- ○ Feed the poor · clothe the naked · care for **orphans and widows**.
- ○ Plant **several daughter churches every year**, nationally and internationally.
- ○ Be **first to raise our hands** on the building project.
- ○ Suitable, practical, beautiful **facilities** — rehab centres, orphanages, old-age homes, community centres.

EVERY MONTH

- **Tithe on profit** → the church
- **Cape Town building project** → continuous
- **Talitha Cumi** → monthly support

THE FUND WE ARE BUILDING

- Homeless rehabilitation centres
- Education — funding students
- Missionary work and travel
- Bibles — a Bible for everyone, at every church
- CRC CARES and feeding schemes

THE HORIZON

YEAR 1 CASH FLOW — Serentia · Innaderm

Build both businesses for cash flow — enough to fund Cape Town and every recurring commitment, **every single month**.

$100M+ NINE FIGURES — 1–3 years

Then a new company, purpose-built for exit — while Serentia and Innaderm keep running as the cash-flow engines.

The one who plants generously will get a generous crop

2 CORINTHIANS 9:6 NLT · SEED SOWN, NOT MONEY SPENT

ACTIONABLES

- **On the 1st of every month,** the three allocations go out first — tithe, Cape Town, Talitha Cumi — and the amounts are reported to the team transparently.
- **Build for cash flow and build for exit differently.** Name which one every decision serves before you make it.
- **Every quarter,** raise the giving line, not the lifestyle line.
- **Work backwards:** $100M → the one metric that must move this quarter → this week's action.

- **Every morning the gap goes on the board:** (R100K − actual) ÷ days left = today's run rate. You cannot hit a number you are not looking at.
- **UGC is a production line, not a campaign.** A fixed batch ships every week — kill the losers fast, pour spend into the winners.
- **Three days after delivery, the review request goes out** — automated, every customer, no exceptions. Five stars are asked for, not waited for.
- **One landing-page test live at all times.** One variable at a time, decided on data and not on taste.

THE TEMPLE · 2026

Health

1 CORINTHIANS 6:19–20 · NLT

IS DISCIPLINE EVERYWHERE ELSE

1 COR. 9:27 · TRAINING IT TO DO WHAT IT SHOULD

- — **If you miss a session,** then never miss two in a row.
- — **Every Sunday, straight after AM service,** meal prep for the next three days — then top up midweek.
- — **Book and pay for the dance class** — a paid class is a kept class.

Social

BUILD YOUR CIRCLE

PROVERBS 27:17 · PROVERBS 13:20 · NLT

"**As iron sharpens iron, so a friend sharpens a friend.**"

"Walk with the wise and become wise; associate with fools and get in trouble."

THE VISION

- ○ A circle chosen **on purpose** — not inherited by proximity.
- ○ People **ahead of me** in something, unafraid to say so.
- ○ People I am **faithfully carrying** — I am someone's answered prayer too.

THE FIVE NAMES

- **One intentional conversation a week** — not a text, a conversation.
- **One gathering a month that I host.** Be the one who makes the table.
- **If someone comes to mind,** then reach out the same day. That prompting is usually not random. *Prov. 17:17 — "A friend is always loyal."*

HOW THIS BOARD WORKS

The Rhythm

WHAT THE RESEARCH SAYS MAKES A VISION ACTUALLY HAPPEN

HABAKKUK 2:2–3 · NLT

"**Write my answer plainly on tablets, so that a runner can carry the correct message to others.** If it seems slow in coming, wait patiently, for it will surely take place."

SIX FINDINGS THIS BOARD IS BUILT ON

- **Write it, don't wish it.** Matthews, Dominican University — goals written, action commitments written, weekly progress sent to a friend: ~76% achieved vs 43%.
- **Picture the process, not the prize.** Pham & Taylor, UCLA — rehearsing the studying beat picturing the grade.
- **Contrast the wish with the obstacle.** Oettingen's WOOP — fantasy alone predicts less achievement.
- **"If–then" beats intention.** Gollwitzer & Sheeran, 94 studies — naming when and where you act.
- **Specific and hard beats "do your best."** Locke & Latham — vague goals produce vague effort.
- **Look daily.** A goal you see is a goal your mind keeps solving in the background.

THE CADENCE

- **Daily · 60 seconds.** Read the headline out loud. Name one thing today that serves it.
- **Weekly · Sunday 18:00.** Ten minutes at the board — then send it to one person who will ask about it.
- **Monthly.** The numbers: savings and investment balance, gym sessions, chapters read, membership.
- **Quarterly.** Re-read Sheet C5. Adjust the plan, never the purpose.
