PROVERBS 3:9 NLT · NOT WITH WHAT IS LEFT OVER

STANDING ON

Mal. 3:10 — "Bring all the tithes into the storehouse... Try it! Put me to the test!"

ACTIONABLES

- **The day it lands, split it the same hour.** Tithe first, then four transfers. Money that sits in one account for a week gets spent out of that account.
- **The R6 000 is the whole living allowance** — not a buffer the other lines can borrow from.
- **Book the CPT flights early.** R5 000 covers it in October; it will not in December.
