75 soft

ALL FOUR · EVERY DAY · 75 DAYS

01 — EAT WELL
Follow the plan you chose before Day 1. Alcohol only on social occasions.

02 — TRAIN 45 MINUTES
Every day. One day a week may be active recovery — a walk, a stretch, a swim.

03 — DRINK YOUR WATER
Khethiwe 2.5 L · Kabelo 3 L, set to height and need. Plain water — nothing else counts towards it.

04 — READ 10 PAGES
Any book. Fiction counts — the habit is the point, not the genre.

MISS A DAY → PICK IT UP TOMORROW

No restart. 75 Soft is built to be finished rather than survived — seventy-five days of consistency, not an unbroken chain you are frightened of breaking. A tick you did not earn still makes the sheet worthless, though.
